Project No. SS02-07 ~ Bid No. 02-82  
Construction Contract Recommendation

Dear Mr. Mosley,

Out of three bidders R. M. Dudley Construction submitted a low bid of \$240,243.95, Tuesday, June 11, 2002 for the construction of the referenced project.

I am unaware of any concerns from utility company representatives pertaining to past utility construction projects that could disqualify R.M. Dudley Construction from being awarded this project and I recommend awarding the contract to R.M. Dudley Construction.

Sincerely,

  
Michael G. Hester, P.E.
